Directions

Listen and read carefully, there could be prizes given out.

Raise your hand when I point and go over the title of the lesson.

Pat your head when I show the avatar and points.

Do the wave when I point out the tools available to use.

Raise the roof when I go to Math Help

Snap your fingers when I let the audio read the question

Answer this question: How many points did I earn for getting the question right the first time?

Answer this question: How many points did I earn for getting the question right the second time?

Write down an example of TTM Journaling (use the space below):

TTM STUDENT SCAVENGER HUNT
